Student Leadership Team Description

Our youth ministry is centered around the Eucharist, dedicated to Mary, and focused on leading teens closer to Christ. We do this through personal relationships with each teen in our program. The main role of the SLT is relational ministry. As an SLT, you will reach your peers and be a personal witness of the love of Christ in their lives. SLTs are responsible for being the face of the ministry and the Church to the teens they interact with. As an SLT you may be responsible for background work, leading worship, leading small groups, planning Life Nights and retreats, giving witness talks, etc. An SLT member needs to be able to adapt to last-minute plans and changes. Understanding that we can't give what we don't have, it is imperative that an SLT member participates in the Sacramental life of the Church and maintains a healthy prayer life. Ongoing formation will be provided for SLTs, and participation is necessary in order to serve each other.

Please initial all statements you are committed to below:
